[•] Frequently of the Board Meeting and Academic Advisory Body

Once in a semester

• Organizational chart and processes

- Chief Executive Officer acts as management representative regarding the smooth execution of the system and involves in the state of improvement of the institution in association with the Principal.
- Principal plans, implements and monitors all the academic activities in association with heads of the departments and ensures complains to schedules and academic guidelines framed by the university. He also looks after other associated departments.
- Head of the departments look after all the academic activities of the respective departments.

Nature and Extent of involvement of Faculty and students in academic affairs/ improvement s : Faculty:

In addition to the teaching, the faculty members are involved in the following activities to improve the academic affairs of the Institute.

- To Guide students for Projects, Paper Presentations, Higher Studies etc..
- To Attend Refresher Courses, Orientation courses, Seminars & Conferences etc...

- Participates in seminar, and Quiz Programmes
- Attends Workshops, Conferences and Seminars
- Follows the instructions, Rules and Regulations and also maintains the
- Academic Standards and Disciplines

• Mechanism/ Norms and Procedure for democratic/ good Governance :

The Management and Principal conduct the meetings regularly with the Head of the Departments, students, Faculty members and Non-teaching staff. Everyone will be allowed to express their views freely in the meetings. A democratic congenial and healthy atmosphere exists in the Institute. The Management follows the norms of AICTE and the university (JNTUK) strictly.

• Student Feedback on Institutional Governance/ Faculty performance:

In the semester, for each course, student's feedback is taken in a structured format consisting of 10 major parameters pertaining to teaching- learning process. This feedback is collected through online.

The responses are subject to Data Processing and the results are analyzed by the HoDs and the Principal and the feedback is communicated to the faculty members concerned wherever necessary, for any remedial action and improvement.

Student's feedback on value added programmes conducted (for example guest lectures, seminars, employability camp, etc.) is obtained at the end of the programme by distributing suitable questionnaire. Based on their response changes necessary in organizing such events are suitably planned.

• Grievance Redressal mechanism for Faculty, staff and students:

The possibility of grievances from students and staff is very bleak. In the event of any problem being faced, the faculty, staff and students would make a representation to Head of the Department concerned. If it is required, the issue would be taken to the notices of the CEO /Principal for necessary action. The college grievance committee would suggest and recommend several actions that are to be taken for students' grievances.

• Establishment of Anti Ragging Committee :

The Principal of the College constituted the Anti Ragging Committee for the academic year 2020-21 to suggest and review the measures for preventing ragging in the campus. The committee is constituted with the following members.
