- Academic Standards and Disciplines

• **Mechanism/ Norms and Procedure for democratic/ good Governance :**

The Management and Principal conduct the meetings regularly with the Head of the Departments, students, Faculty members and Non-teaching staff. Everyone will be allowed to express their views freely in the meetings. A democratic congenial and healthy atmosphere exists in the Institute. The Management follows the norms of AICTE and the university (JNTUK) strictly.

• **Student Feedback on Institutional Governance/ Faculty performance :**

In the semester, for each course, student's feedback is taken in a structured format consisting of 10 major parameters pertaining to teaching- learning process. This feedback is collected through online.

The responses are subject to Data Processing and the results are analyzed by the HoDs and the Principal and the feedback is communicated to the faculty members concerned wherever necessary, for any remedial action and improvement.

Student's feedback on value added programmes conducted (for example guest lectures, seminars, employability camp, etc.) is obtained at the end of the programme by distributing suitable questionnaire. Based on their response changes necessary in organizing such events are suitably planned.

• **Grievance Redressal mechanism for Faculty, staff and students:**

The possibility of grievances from students and staff is very bleak. In the event of any problem being faced, the faculty, staff and students would make a representation to Head of the Department concerned. If it is required, the issue would be taken to the notices of the CEO /Principal for necessary action. The college grievance committee would suggest and recommend several actions that are to be taken for students' grievances.
